Research Analysis

The Floor Amendment 2 to HB 2951 provides that prior to carrying a pistol or handgun, the person must have a background check conducted by a firearms dealer using the National Instant Criminal Background Check System (NICS) of the Federal Bureau of Investigation. If the NICS background check provides a “proceed” response pertaining to the person, the person shall be issued an identification card by the dealer indicating that the person is authorized to carry a pistol or handgun pursuant to the provisions of this paragraph. If the NICS background check provides a “deny” response, the firearms dealer shall not issue an identification card to the person.
