

BILL SUMMARY
2nd Session of the 56th Legislature

Bill No.:	HB2998
Version:	INT
Request Number:	8796
Author:	Vaughan
Date:	2/16/2018
Impact:	\$0

Research Analysis

The measure directs the Statewide Circuit Engineering Districts Board to develop a statewide procedure to protect county infrastructure during energy industry and utility company activity by requiring the following procedure:

- A bonding process, by which bonds are required equal to the cost of the reconstruction of the adjacent infrastructure as safeguarded against damage; or
- Memorandums of understanding or infrastructure maintenance agreements which are planned or negotiated in advance of industry activities.

Fiscal Analysis

HB 2998 requires the Statewide Circuit Engineering Districts Board to develop a uniform procedure. The Board is not a state entity, therefore, the measure has no direct fiscal impact on the state budget or state revenues.
