

BILL SUMMARY
2nd Session of the 56th Legislature

Bill No.:	HB3053
Version:	FULLPCS1
Request Number:	9659
Author:	Hilbert
Date:	2/13/2018
Impact:	State Election Board onetime cost: \$30,000-40,000

Research Analysis

The PCS for HB 3053 prohibits a voter from verbally disclosing how they voted while in the election enclosure, but allows a digital image of the voter's marked ballot to be shared with others. The measure also allows a voter to share a digital image of their marked absentee ballot.

Fiscal Analysis

Officials from the State Election Board anticipate a onetime negative fiscal impact of \$30,000-40,000 dollars as a result of the provisions of FULLPCS1 for HB 3053. The impact is a result of costs associated with the reprinting and replacing of the current stock of absentee affidavit envelopes, to comply with the provisions of the measure.
