

BILL SUMMARY
2nd Session of the 56th Legislature

Bill No.:	HB 3074
Version:	PCS
Request Number:	9786
Author:	Rep. Worthen
Date:	2/26/2018
Impact:	\$0

Research Analysis

The proposed committee substitute to HB 3074 clarifies the definition of “canoe” and adds definitions of “kayak”, “kiteboard”, “paddleboard”, “sailboard”, and “water-thrust device” in the Oklahoma Vessel and Motor Registration Act. The measure exempts canoes, kayaks and paddleboats from registration requirements when powered only by human power. The measure allows such vehicles to be titled and registered at the request of the owner.

Fiscal Analysis

HB 3074 which makes titling human powered watercrafts optional has no significant revenue implications for the state.
