

BILL SUMMARY
2nd Session of the 56th Legislature

Bill No.:	HB 3233
Version:	CS
Request Number:	9757
Author:	Rep. Moore
Date:	3/14/2018
Impact:	\$0 state dollars

Research Analysis

The committee substitute stipulates that every person who requires a prescription for behavioral medication may have a pharmacogenomics profile conducted and recorded in the person's medical record. A person receiving the test is entitled to receive a copy of the results or to view them in the medical record.

Prepared By: Scott Tohlen

Fiscal Analysis

The CS to HB 3233 has no fiscal implications to the state. No specific agency or industry is directed to pay for these services in the measure.

Prepared By: Stacy Johnson

Other Considerations

None.
