Research Analysis

The Proposed Committee Substitute for HB 3444 prohibits a managed care entity from the following:

- Requiring a physician participating to issue an immunization or vaccination protocol to be administered to an enrollee;
- Limiting an enrollee's benefits for immunizations or vaccinations to circumstances in which a protocol is issued;
- Giving financial incentives for physicians to issue immunizations or vaccinations; or
- Imposing a penalty on a physician refusing to administer a vaccination protocol.
