

BILL SUMMARY
2nd Session of the 56th Legislature

Bill No.:	HB 3536
Version:	FA1
Request Number:	10136
Author:	Rep. Caldwell
Date:	3/12/2018
Impact:	Provides for Energy Conservation Contracts for Political Subdivisions

Research Analysis

Pending

Prepared By: House Research Staff

Fiscal Analysis

The amendment modifies certain provisions which relate to energy conservation contracts entered into by governing boards of political subdivisions. Provisions include modifications in lease-purchase agreements, requirements for entering into memoranda of understanding, require providers to perform preliminary analysis of facilities and complete energy performance audits.

The provisions may result in increased participation in energy conservation contracts and may result in cost savings for public entities.
