

BILL SUMMARY
2nd Session of the 56th Legislature

Bill No.:	HB 3538
Version:	INT
Request Number:	9481
Author:	Rep. Caldwell
Date:	2/12/2018
Impact:	Lottery Commission: Expnded Play Anticipated

Research Analysis

HB3538, as introduced, authorizes the Oklahoma Lottery Commission to sponsor a web application to allow entries for lottery-sponsored promotions and second-chance drawing promotions to be submitted by lottery players.

Prepared By: Quyen Do

Fiscal Analysis

Lottery Commission officials indicate the ability to offer lottery promotions and second-chance drawing promotions through the use of web applications will expand opportunities for players and enhance goodwill. Increased sales and net profits are anticipated as part of the ongoing efforts to maximize the return from the lottery. A reliable estimate of such increases continues to be analyzed.
