

BILL SUMMARY
2nd Session of the 56th Legislature

Bill No.:	HB 3540
Version:	FULLPCS1
Request Number:	9764
Author:	Rep. Caldwell
Date:	3/8/2018
Impact:	Consultation with the OSDE is ongoing

Research Analysis

The proposed committee substitute modifies the State Department of Education (SDE) school district expenditure database to include revenue and school site data beginning July 1, 2018. Districts with a website are required to provide a link from the district website to the Oklahoma Cost Accounting System website page for the district. The measure directs the SDE to annually inform parents, schools and other stakeholders about the public database and how to use it.

Prepared By: Scott Tohlen

Fiscal Analysis

Consultation with the State Department of Education to accurately determine the fiscal impact of the new requirements is ongoing.

Prepared By: Cole Stout

Other Considerations

None.
