<b>Date:</b>	<b>2/27/2018</b>
<b>Impact:</b>	<b>\$0</b>

**Research Analysis**

HB3595, as introduced, relates to performance audits conducted by the Agency Performance and Accountability Commission. Instead of requiring a state agency to implement the recommendations of the commission, the measure makes the recommendations permissive.

**Fiscal Analysis**

The measure modifies the provision related to the implementation of recommendations to agencies by the Agency Performance and Accountability Commission by making such implementation of recommendations permissive instead of required. Efficiencies and improved operations will remain key objectives of the Commission and the legislature may also review and potentially implement any recommendations made by the Commission.
