

BILL SUMMARY
2nd Session of the 56th Legislature

Bill No.:	SB 1089
Version:	ENGR
Request Number:	
Author:	Rep. O'Donnell
Date:	4/2/2018
Impact:	ODOT: \$0

Research Analysis

SB 1089 modifies weight limits for vehicles operating under special permits by requiring dual wheels for any vehicle moving loads between 22,000 lbs and 23,000 lbs and requiring a minimum weight capacity rating of 20,000 lbs for the steering axle of any vehicle moving loads greater than 23,000 lbs. The measure modifies size and weight restrictions for oversize or overweight vehicles used for specialized transportation within a 30 mile radius of the Port of Catoosa.

Prepared By: Brad Wolgamott

Fiscal Analysis

SB 1089, upon review by the agency, is expected to have no fiscal impact. The additional weights will only be allowed on roads already designed to support them.

Prepared By: Kristina King

Other Considerations

None.
