

BILL SUMMARY
2nd Session of the 56th Legislature

Bill No.:	SB1131
Version:	ENGR
Request Number:	NA
Author:	Rep. Martinez/Sen. Jech
Date:	3/27/2018
Impact:	\$0

Research Analysis

The measure creates the Oklahoma State Safety Oversight Program to be administered by the Department of Transportation. The bill directs the department to develop and enforce program standards for all private and public rail fixed guideway systems that are not administered by the federal government.

Prepared By: Kyle Meade

Fiscal Analysis

SB 1131 creates the Oklahoma State Safety Oversight Program within the Oklahoma Department of Transportation. Officials from ODOT maintain that creation of the Program is required as part of a federal certification process related to transit program funding, and that no state funds would be involved in the administration of the program. SB 1131 has no direct fiscal impact on the state budget or state revenues.
