

BILL SUMMARY
2nd Session of the 56th Legislature

Bill No.:	SB1138
Version:	ENGR
Request Number:	NA
Author:	Rep. Watson/Sen. Bice
Date:	4/25/2018
Impact:	No Material Impact

Research Analysis

The measure limits the space along a railroad crossing that a railroad company is required to maintain to two feet on either side of the track.

Prepared By: Kyle Meade

Fiscal Analysis

SB 1138 clarifies maintenance responsibilities related to railroad crossings or public roads. The changes made by the provisions of SB 1138 are not anticipated to have a material impact on the state budget or appropriations.

Prepared By: John McPhetridge

Other Considerations

None.
