

BILL SUMMARY
2nd Session of the 56th Legislature

Bill No.:	SB 1221
Version:	FA1
Request Number:	10432
Author:	Rep. Wright
Date:	4/23/2018
Impact:	Possible increase in incarceration rates

Research Analysis

Pending

Prepared By: House Research Staff

Fiscal Analysis

FA1 on SB 1221 could increase state incarceration rates. The exact impact is contingent upon how many juveniles are sentenced to life without parole and are unsuccessful at gaining relief at a post sentencing review. Currently the average cost for incarcerating an individual in Department of Corrections' custody is \$58.70/day or \$21,425.50/year.
