Research Analysis

The proposed Committee Substitute to SB 1221 expands the zone of safety restrictions by prohibiting a sex offender from loitering within 1,000 feet of their victim. The measure also requires members of the Pardon and Parole Board to complete annual training based on guidance from organizations that provide training and technical assistance related to the probation and parole process. The measure modifies the requirements for eligibility to be a Pardon and Parole Board member. The measure requires at least two members of the Board to have 5 years of training or experience in mental health services, substance abuse services or social work. The measure provides that a person subject to the Oklahoma Sex Offender Registration Act is prohibited from living within 2000 feet of the residence of his or her victim.
