2nd Session of the 56th Legislature

Bill No.:	SB 1294
Version:	ENGR
Request Number:	
Author:	Rep. Pfeiffer and Rep. Osborn (Leslie)
Date:	4/6/2018
Impact:	OWRB: \$0 anticipated

Research Analysis

SB 1294 authorizes the Oklahoma Water Resources Board to cooperate with tribal agencies and use the tribal agencies' findings when conducting hydrological surveys and investigations. The measure also changes the maximum annual yield process to allow the board to phase in or delay the implementation of maximum annual yields if the landowners above the basin are not utilizing their equal proportional share. In addition, the measure allows well spacing on basins without a yield study.
