

BILL SUMMARY
2nd Session of the 56th Legislature

Bill No.:	SB1439
Version:	ENGR
Request Number:	NA
Author:	McCall/Schulz
Date:	3/23/2018
Impact:	\$0

Research Analysis

SB 1439 modifies the method of selecting applicants for motor license agents. The measure requires that in counties with a population of more than 30,000, the operation of a motor license agency be the primary source of income for the agent. The measure allows the Tax Commission to determine the number of motor license agents necessary to carry out the provisions of the Motor Vehicle License and Registration Act.

Prepared By: Brad Wolgamott

Fiscal Analysis

Officials from the Tax Commission estimate no negative impact on the state budget or state revenues as a result of the provisions of SB 1439.

Prepared By: John McPhetridge

Other Considerations

None.
