2nd Session of the 56th Legislature

Bill No.:	SB 1513
Version:	ENGR
Request Number:	
Author:	Rep. Mulready
Date:	3/28/2018
Impact:	CIB: nonappropriated agency: Anticipated zero appropriated dollars with minimal impact to the General Revenue Fund.

Research Analysis

SB 1513 provides that no more than three registered apprentice electricians may work under the supervision of a single journeyman or contractor. The measure also exempts from the definition of *electrical work* any work related to or facilitating to the construction, installation or maintenance of all or part of an electrical system that does not involve actual work with specific components listed in the statutory definition. Finally, the bill exempts from the Electrical License Act alarm and locksmiths, as well as low voltage providers working on Class 2 and Class 3 circuits.

Fiscal Analysis

The Oklahoma Construction Industries Board (CIB), a nonappropriated industry, anticipates the language of the measure to have an estimated negative fiscal impact to the agency of \$105,754, which will be absorbed by existing agency resources.
