

BILL SUMMARY
2nd Session of the 56th Legislature

Bill No.:	SB 1538
Version:	ENGR
Request Number:	
Author:	Rep. Teague
Date:	3/22/2018
Impact:	CIB: nonappropriated agency, Revenue Neutral.

Research Analysis

SB 1538 sets the expiration date of building and construction inspector licenses to the last day in the birth month of the licensee. The measure also changes the method for determining whether a municipality is under population 10,000, and thus exempt from the Oklahoma Inspectors Act, by using data from the U.S. Census Bureau.

Prepared By: Sean Webster

Fiscal Analysis

Per the Oklahoma Construction Industries Board, a nonappropriated agency: The measure stipulates a change in revenue collection, has clean up language and is revenue neutral to the agency.

Prepared By: Jenny Mobley

Other Considerations

None.
