

BILL SUMMARY
2nd Session of the 56th Legislature

Bill No.:	SB 1561
Version:	ENGR
Request Number:	
Author:	Rep. Martinez
Date:	4/6/2018
Impact:	OCC: \$0 anticipated to agency

Research Analysis

The measure requires an entity to receive written consent from and provide compensation to each affected land owner prior to the use of temporary pipelines. The bill defines a temporary pipeline as existing no longer than three months from the date of the agreement between the entity and land owners. The measure provides procedures for the placement and removal of the temporary pipelines.
