

BILL SUMMARY
2nd Session of the 56th Legislature

Bill No.:	SB 199
Version:	ENGR
Request Number:	
Author:	Rep. Pfeiffer
Date:	3/21/2018
Impact:	ODAFF: \$0 fiscal impact with exception, see below.

Research Analysis

SB 199 modifies the Combined Pesticide Law by removing the temporary certified applicator status and changing the pesticide applicator expiration and renewal thresholds and fees.

Prepared By: Tricia Hines

Fiscal Analysis

The measure concerns the Combined Pesticide Law. The Oklahoma Department of Agriculture, Food and Forestry (ODAFF) expect that revenue will be the same, but, will occur at different times. The agency has plans to implement practices that will manage any impact. Over time this action will be more cost efficient to manage. The measure is anticipated to be positive to the financial management.
