Fiscal Analysis

From the Oklahoma Tax Commission:

The measure proposes to repeal 47 O.S. §1105.4 which requires OTC to provide informational publications to the Oklahoma Motor Vehicle Commission, Oklahoma Used Motor Vehicle and Parts Commission, and every person and business licensed by these Commissions concerning any amendment, repeal or addition to the Oklahoma Statutes or OTC rules and regulation relating to motor vehicle titles or inspections within 45 days of effective date of any such change to statute or rule. Within the same timeframe the referenced information is also to be provided to financial institutions. Also, requires the OTC to publish every two years and make available upon request a booklet concerning state laws and rules and regulations related to motor vehicle titles and motor vehicle inspections.

Presently, the information required by Section 1105.5 of Title 47 is readily available and easily accessible by the named parties and others from the Tax Commission's website. The applicable statutes and administrative rules are regularly monitored for accuracy and any necessary changes or revisions are made in a timely fashion. Consequently, the requirement to produce the described informational publications and provide them to the named groups is outdated as the need for these activities no longer exists.
