

BILL SUMMARY
1st Session of the 56th Legislature

Bill No.:	SB 360
Version:	ENGR
Request Number:	
Author:	Representative Murphey
Date:	4/5/2017
Impact:	\$0 to the State

Research Analysis

SB 360 authorizes the Secretary of the State Election Board to establish a process by which a registered voter can electronically submit a change to his or her voter registration information.

Prepared By: Marcia Goff

Fiscal Analysis

The State Election Board notes that while the cost to implement provisions of the measure totals approximately \$125,000 in software programming, the agency will use federal funds from the Help America Vote Act to pay such costs. The agency anticipates minimal costs associated with ongoing software maintenance.
