Research Analysis

The measure modifies the Open Meeting Act by establishing provisions for certain notice on internet sites. The measure authorizes public meeting notices to be posted on a public body's internet website 24 hours prior to a regularly scheduled meeting and 48 hours prior to a special meeting. Current statute requires these notices to be posted in a prominent public view at the office of the public body. The measure clarifies that the 24 hour and 48 hour notice requirements do not include Saturdays, Sundays and holidays legally declared by the State of Oklahoma.
