Research Analysis

Engrossed SB424 makes all parties in a civil suit subject to the same timeline for interrogatories, requests to produce, permit inspection or copying of documents and requests for admission. These requests may only be served after the filing of an answer unless there is a written agreement between the two parties that allows for the request to be served and responded to prior to the filing of an answer.

Fiscal Analysis

The ENGR version of SB 424 which deals with discovery has no fiscal impact on the state.
