

BILL SUMMARY
1st Session of the 56th Legislature

Bill No.:	SB 477
Version:	FA2
Request Number:	
Author:	Representative Ortega
Date:	4/24/2017
Impact:	\$0 to the State; Potential Administrative Impact to OAC

Research Analysis

Please see previous summary of this measure.

Prepared By: Marcia Goff

Fiscal Analysis

According to the Oklahoma Aeronautics Commission (OAC), the agency already permits through the Aircraft Pilot and Passenger Protection Act, but the requirement in the measure for applications to be submitted to OAC prior to construction near certain military areas may increase the number of permits and therefore create an administrative impact to the agency- however, the number of applications and an exact impact estimate is unknown.
