Bill No.:	SB 532
Version:	ENGR
Request Number:	
Author:	Representative Bush
Date:	4/5/2017
Impact:	OMES: \$0 to the State

Research Analysis

The measure requires state agencies to provide counseling through the State Employee Assistance Program to employees who are involved in, witness, or are exposed to a violent or traumatic event in the workplace. The measure directs that employees who are affected be encouraged to participate in debriefing or counseling services and paid administered leave be provided.

Fiscal Analysis

The Office of Management and Enterprise Services (OMES) does not anticipate a significant impact to state revenues associated with the measure's provisions, as such services as currently optional, and paid administrative leave is not considered a financial liability for state agencies.
