

BILL SUMMARY
2nd Session of the 56th Legislature

Bill No.:	SB562
Version:	Engrossed
Request Number:	NA
Author:	Rep. Kevin West/Sen. Bergstrom
Date:	3/27/2018
Impact:	State Agencies and School Districts: Potential Savings

Research Analysis

The measure exempts any state agency or school district that is constructing a building using a pre-fabrication building design, which has already undergone engineering design and building standards, from being required to contract with a consultant for engineering or architectural services. The measure would not apply to buildings in the process of construction during the effective date.

Prepared By: Kyle Meade

Fiscal Analysis

SB 562 in its current form may result in savings to state agencies and school districts related to certain construction projects; however, the measure is not expected to have a material impact on the state budget or state revenues.

Prepared By: John McPhetridge

Other Considerations

None.
