Bill No.:	SB 587
Version:	CS
Request Number:	
Author:	Rep. Newton
Date:	4/13/2017
Impact:	ODWC: FY 18: \$0 anticipated impact

Research Analysis

The CS for SB 587 allows for some scheduling flexibility for the regular meetings of the Wildlife Conservation Commission. Rather than meeting on the first Monday of each month per current law, the measure requires that the commission meet at least nine times per year, with no two meetings in the same month and no more than two months between meetings.
