Fiscal Analysis

Expenses associated with performance audits are borne by the audited agency pursuant to Section 213.2 of Title 74. Total cost of the audit would depend on a number of factors, including the agency's initial risk assessment, scope of the audit, and hourly pay rate(s) of the auditors assigned to the audit, but the agency is estimating a cost between \$275,000 and \$500,000, based on conversation with the State Auditor.
