

BILL SUMMARY
1st Session of the 56th Legislature

Bill No.:	SB 751
Version:	ENGR
Request Number:	
Author:	Rep. McBride
Date:	4/11/2017
Impact:	Fire Marshal: increased workload, possible 1 FTE ~\$175,000 for salary and benefits for an architect/professional engineer

Research Analysis

SB 751 requires the State Fire Marshal to complete the plan review and permit process for a proposed construction within 45 days.

Prepared By: Sean Webster

Fiscal Analysis

Upon review by the OK State Fire Marshal, SB 751 will increase the workload of the agency and according to the Marshal, will require an additional hire of an architect or professional engineer (1 FTE) and they estimate the cost to the agency would be \$175,000 for salary and benefits.
