Fiscal Analysis

ESB 826 provides for the creation until December 31, 2018, of a task force to research the creating of a partnership between the Department of Corrections, the Oklahoma prison system and the Oklahoma Department of Career and Technology Education in order to provide education opportunities for incarcerated offenders once they are released from prison.

Task force members will receive no compensation or travel reimbursement. Staff support is by the Senate. Personnel from the Department of Career and Technology Education and the Department of Corrections do not anticipate significant cost related to the task force. Additional costs are dependent on future recommendations implementation.
