Fiscal Analysis

SB 835 extends the sunset regarding the following Supreme Court funds: Law Library (215) Fund, Supreme Court Revolving (205) Fund, State Judicial Revolving (225) Fund, the Supreme Court Administrative Revolving (210) Fund, and the Lengthy Trial Fund from 2016 to 2018. Since the stipulations regarding the uses and transfers from the fund are already in statute, this bill does not present any fiscal impact for the state.
