**Fiscal Analysis**

SB 839 changes the apportionment of funds received from driver's license fees.

Regarding the changes:

- The \$3 increase from the REAL ID license will be transferred to the Dept. of Public Safety Revolving (200) Fund instead of the State Public Safety Fund. This amount for FY-18 is estimated to total \$2.8 million.
- The additional \$2 (if the motor agent is not REAL ID compliant) will be transferred to the to the Dept. of Public Safety Revolving (200) Fund instead of the State Public Safety Fund. This amount is contingent upon the number of motor agents who do not process REAL IDs.
