**Research Analysis**

The proposed committee substitute adds definitions for *autism* and *traumatic brain injury*. It adds pupil categories for traumatic brain injury and other health impairment.

The measure removes, adds and modifies several definitions used in the calculation of a school district's weighted membership. It adds definitions for *hearing impairment* and *other health impairment* and removes the definition for *trainable mentally handicapped*. It updates statutory references related to weighted membership to reflect this change and adds a pupil category for autism.
