

BILL SUMMARY
2nd Session of the 56th Legislature

Bill No.:	SB 972
Version:	ENGR
Request Number:	
Author:	Rep. Ownbey and Sen. Simpson
Date:	3/20/2018
Impact:	\$0; subject to the availability of funds

Research Analysis

The engrossed measure directs the Oklahoma Health Care Authority to examine the feasibility of a state plan amendment to the state Medicaid program for diabetes self-management training (DSMT). The Authority must submit a report to the Governor and Legislature by December 1, 2018, that estimates the costs to the state, clinical findings, reviews of pilot projects and research from other states on the effects of DSMT. Subject to the availability of funding, beginning July 1, 2019, the Authority must draft a state plan amendment for DSMT if the report shows it is evidence-based and essential to qualifying participants.

Fiscal Analysis

SB 972 has no fiscal implications to the state. The measure calls for the Oklahoma Health Care Authority to examine the feasibility of a state plan amendment to the Oklahoma Medicaid Program for diabetes self-management training. The measure direct the agency, subject to the availability of funds, to draft a state plan amendment in July, 2019 if examination demonstrates diabetes self-management training to be evidence-based and essential to participants in the Oklahoma Medicaid Program.
