Senate Author: Stanislawski

House Author: Martin

FY '18 Impact: \$1,143,720-\$1,168,720

Full Year Impact: see above

Bill Summary and Comments: This bill requires the State Department of education to require reports on the results of the Oklahoma School Testing Program pursuant to federal law (ESSA). The report will identify school sites as having a grade for several indicators, separately, and by a single overall grade of all indicators. The State Board may adopt alternative systems of accountability for virtual charter schools.

The new components for this grading system has requirements that the current system does not have. SDE will need to work with OMES to adapt as much as possible of the current system in the process of designing a the new program. SDE estimates a cost including 1 additional FTE for FY 18 and FY 19.
