

Oklahoma State Senate

Bill Summary and Fiscal Impact

Agency: Construction Industries Board

Bill Number: HB 2935

Senate Author: Daniels

House Author: Mulready

FY '19 Impact: Potentially negative

Full Year Impact: Potentially negative

Bill Summary and Comments: HB 2935 exempts class 2 and class 3 circuit work from electrical licensing requirements. This could reduce the amount of license applications, affecting revenues for the Construction Industries Board.
