## *Bill Summary and Fiscal Impact*

**Agency:** State Department of Education  
**Bill Number:** SB 1020  
**Senate Author:** McCortney  
**House Author:**  
**FY '19 Impact:** \$10,600

### ***Full Year Impact:***

***Bill Summary and Comments:*** This bill modifies the date by which children must turn a certain age to attend grades. Changes from "on or before September 1" to "on or before July 1".

This amendment will require modification to current student data reports and the WAVE system. The OSDE received a cost estimate from OMES ISD, who estimates the cost to be +/- \$10,600. This cost is at the agency level. Additionally, there may be costs at the district level if they have to pay their student information vendor to update the business rules to accommodate this change.

Area of concern: Districts may see a decrease in enrollment when they lose kids turning a certain age between July 1 and September 1, which
