Bill Summary and Comments: This bill would require that the subject matter standards for history, social studies and US government include the content of the US naturalization test and that this naturalization test be made available in physical and electronic form as an optional assessment tool for teachers.

It requires that the subject matter standards for US government include an emphasis on civics, which the bill further defines.

It requires that, beginning this school year, the US history assessment also include US government, with an emphasis on civics.

Per the State Department of Education this bill is expected to increase
