## *Bill Summary and Fiscal Impact*

**Agency:** Used Motor Vehicle and Parts Commission

**Bill Number:** SB 110

**Senate Author:** Newberry

**House Author:**

**FY '18 Impact:** Unavailable

**Full Year Impact:** Unavailable

**Bill Summary and Comments:** As introduced, this bill creates a new fee to be collected by the Used Motor Vehicle and Parts Commission. The fee is \$3.00 per vehicle sold at a public auction; however, vehicles auctioned by or for a government agency are exempt from the fee. The UMVPC contributes 10% of revenue collected to the GR fund; however, this bill is expected to be changed so no fiscal impact is currently available.
