

Revenue Impact for SB 1102

\$23,554,155 in additional premium tax collected per year. This is based on the most recent data we have available (CY2016).

This additional premium tax collected would break down in this way:

45% to the state's general revenue fund = \$10,599,370

55% to the pension systems-

36% to the firefighter pension fund = \$8,479,496

14% to the police pension fund = \$3,297,581

5% to the law enforcement retirement system = \$1,177,708
