**Bill Summary and Comments:** This bill requires that a school provide a meal application in every enrollment packet. If a student has not submitted one the school may do it for them. This does not apply to schools that provide free meals to everyone and does not collect meal applications.

It requires schools to provide a meal to a student unless the parent or guardian has specifically provided written permission to withhold a meal.

It provides that schools shall not require a student to throw away a meal after it has been served because of inability to pay or because money is owed for previous meals.
