

Oklahoma State Senate

Bill Summary and Fiscal Impact

Agency:

Bill Number: SB 1380

Senate Author: Allen

House Author:

FY '19 Impact: \$40,000 one time cost (see comments)

Full Year Impact:

Bill Summary and Comments: SB 1380 transfers the overweight truck enforcement functions from the Corporation Commission to the Department of Public Safety with the funds flowing through ODOT. OMES estimates a \$40,000 one time cost to transfer employees and equipment. OCC writes approximately \$3.5 to \$4 million each year in overweight violations. That money would now flow through ODOT to pay for DPS's enforcement.
