

# *Oklahoma State Senate*

## *Bill Summary and Fiscal Impact*

**Agency:** State Department of Education

**Bill Number:** SB 899

**Senate Author:** Sharp

**House Author:**

**FY '19 Impact:** One time Cost \$11,270

**Full Year Impact:** Annual cost for maintenance \$1248

**Bill Summary and Comments:** Beginning 11.1.20 requires teachers to have completed training on appropriate behavior between students and school employees and show proof of completion. By 11.1.18 requires OEQA to adopt rules requiring course work or training on appropriate behavior between students and school employees. This shall include information about the potential penalties associated with conviction.

Per SDE, the Oklahoma State Department of Education expects to incur costs for monitoring compliance. This will require an IT
