8 sole basis for this determination.

9 c. The term "minor in need of treatment" shall not mean a

9            measured,
- 10       b.   treatment methods and procedures to be used to achieve

14          appears that emergency detention may be warranted by a licensed  
15          mental health professional at a facility approved by the  
16          Commissioner of Mental Health and Substance Abuse Services, or a  
17          designee, as appropriate for such examination to determine if  
18          emergency detention of the minor is warranted, and whether admission

9        SECTION 2.        AMENDATORY        43A O.S. 2011, Section 5-503, is  
10 amended to read as follows:

11        Section 5-503. A. A parent of a minor or a minor sixteen (16)  
12 years of age or older may consent to the voluntary admission of the  
13 minor for inpatient mental health or substance abuse treatment.

14        B. Upon the application of a minor sixteen (16) years of age or  
15 older or a parent of a minor, a mental health or substance abuse  
16 facility may admit the minor for inpatient evaluation or treatment  
17 if the person in charge of the facility, or a designee, determines  
18 the minor to be clinically eligible for such admission, and:

19        1. After an initial assessment, a licensed mental health  
20 professional determines and states in writing that there is  
21 reasonable cause to believe that the minor may be a minor in need of  
22 treatment and that an evaluation is necessary to properly determine  
23 the condition and treatment needs of the minor, if any; and  
24

1        2. After an outpatient or inpatient mental health evaluation, a  
2 licensed mental health professional determines and states in writing  
3 that in the opinion of the professional, the minor is a minor in  
4 need of treatment and:

5            a. the minor appears to have a mental illness or drug or  
6 alcohol dependence serious enough to warrant inpatient  
7 treatment and is reasonably likely to benefit from the  
8 treatment, and

9            b. based upon the following, inpatient treatment is  
10 determined to be the least restrictive alternative  
11 that meets the needs of the minor:

12            (1) reasonable efforts have been made to provide for  
13 the treatment needs of the minor through the  
14 provision of less restrictive alternatives and  
15 such alternatives have failed to meet the  
16 treatment needs of the minor, or

17            (2) after a thorough consideration of less  
18 restrictive alternatives to inpatient treatment,  
19 the condition of the minor is such that less  
20 restrictive alternatives are unlikely to meet the  
21 treatment needs of the minor, and

22            c. the minor has been provided with a clinically  
23 appropriate explanation of the nature and purpose of  
24 the treatment.

1 The consenting parent shall have the opportunity to discuss the  
2 findings with a person involved in the treatment of the minor.

3 C. The determinations and written statements of a licensed  
4 mental health professional made pursuant to this section shall, upon  
5 the admission of the minor for inpatient evaluation or treatment, be  
6 made a part of the medical record of the minor.

7 D. Inpatient treatment of a minor admitted under this section  
8 may not continue unless continued inpatient treatment has been  
9 authorized by appropriate hospital medical personnel, based upon  
10 their written findings that the criteria set forth in subsection B  
11 of this section continue to be met, after such persons have examined  
12 the minor and interviewed the consenting parent and reviewed reports  
13 submitted by members of the facility staff familiar with the  
14 condition of the minor. This finding is subject to the review  
15 provisions contained in Section 5-512 of this title.

16 E. A mental health or substance abuse treatment facility may  
17 request that the district attorney file a petition alleging a minor  
18 to be a minor in need of treatment and require inpatient treatment  
19 when the parent consenting to the admission of a minor or when the  
20 minor age sixteen (16) years or older who had previously consented  
21 to admission revokes such consent and the person in charge of the  
22 facility, or a designee, determines that the condition of the minor  
23 is such that the minor should remain in the facility. If the  
24 district attorney refuses to file a petition, the district attorney

1 must immediately notify the requesting facility, in writing, of the  
2 refusal to file.

3 F. A minor who is in the legal custody of the Department of  
4 Human Services or the Office of Juvenile Affairs, ~~or~~ and who is a  
5 ward of a court may be admitted to a hospital or other facility for  
6 inpatient mental health or substance abuse treatment only pursuant  
7 to the provisions of Section 5-507 of this title.

8 1. A public or private child care agency having legal custody  
9 of a minor may request the district attorney to file a petition  
10 alleging the minor to be a minor in need of treatment and to require  
11 inpatient treatment.

12 2. Nothing in the Inpatient Mental Health and Substance Abuse  
13 Treatment of Minors Act shall be interpreted to prohibit or preclude  
14 the provision of outpatient treatment or services including, but not  
15 limited to, outpatient evaluation, counseling, educational,  
16 rehabilitative or other mental health and substance abuse services  
17 to the minor, as necessary and appropriate, in the absence of a  
18 specific court order for such services.

19 G. 1. An order of a court committing a minor to a facility for  
20 inpatient mental health or substance abuse evaluation or treatment  
21 shall not, by itself, relieve a parent of the obligation to provide  
22 for the support of the minor nor of liability for the cost of  
23 treatment provided to the minor.

1        2. Nothing in the Inpatient Mental Health and Substance Abuse  
2 Treatment of Minors Act shall be interpreted to:

3            a. limit the authority of the court to order a parent to  
4                make support payments or to make payments or  
5                reimbursements for medical care or treatment,  
6                including mental health care or treatment, to the  
7                person, institution, or agency having custody of the  
8                minor or providing the treatment, or

9            b. abrogate the right of the minor to any benefits  
10               provided through public funds for which the minor is  
11               otherwise eligible.

12        3. An order committing a minor to a facility for inpatient  
13 mental health or substance abuse treatment shall not by itself serve  
14 to preclude a subsequent adjudication which finds the minor to be  
15 delinquent, in need of supervision or deprived nor shall it cause  
16 the vacation of any such order of adjudication previously entered.

17        H. If the parent who consented to the admission of a minor  
18 under this section revokes such consent at any time, the minor shall  
19 be discharged within forty-eight (48) hours, excluding weekends and  
20 holidays, unless the district attorney is requested to file a  
21 petition alleging the minor to be a minor in need of treatment and  
22 to require inpatient treatment in accordance with the provisions of  
23 this title. If the district attorney refuses to file a petition,  
24

1 the district attorney must immediately notify the requesting  
2 facility, in writing, of the refusal to file.

3 I. If a minor sixteen (16) years of age or older who consented  
4 to treatment subsequently revokes their consent at any time, the  
5 minor shall be discharged within forty-eight (48) hours, excluding  
6 weekends and holidays, unless the district attorney is requested to  
7 file a petition alleging the minor to be a minor in need of  
8 treatment and to require inpatient treatment in accordance with the  
9 provisions of this title or the parent of the minor subsequently  
10 consents to the treatment of the minor. If the district attorney  
11 refuses to file a petition, the district attorney must immediately  
12 notify the requesting facility, in writing, of the refusal to file.

13 SECTION 3. AMENDATORY 43A O.S. 2011, Section 5-511, is  
14 amended to read as follows:

15 Section 5-511. A. Hearings pursuant to the Inpatient Mental  
16 Health and Substance Abuse Treatment of Minors Act shall be private  
17 unless specifically ordered by the judge to be conducted in public,  
18 but persons having a direct interest in the case shall be admitted.  
19 Stenographic notes or other transcript of the hearings shall be kept  
20 as in other cases, but they shall not be open to inspection except  
21 by order of the court or as otherwise provided by Title 10A of the  
22 Oklahoma Statutes for court records relating to children.

23 B. The minor may remain silent as a matter of right in hearings  
24 pursuant to the Inpatient Mental Health and Substance Abuse

1 Treatment of Minors Act and shall be so advised. No statement,  
2 admission or confession made by the minor alleged to be a minor in  
3 need of treatment shall be used against the minor for any purpose  
4 except for proceedings pursuant to the Inpatient Mental Health and  
5 Substance Abuse Treatment of Minors Act.

6 C. In hearings to determine whether a minor is a minor in need  
7 of treatment, the minor shall have the right to demand a nonjury  
8 trial, which shall be granted as in other cases, unless waived. A  
9 decision determining a minor to be a minor in need of treatment must  
10 be based on sworn testimony and the minor must have the opportunity  
11 for cross-examination unless the facts are stipulated. Where the  
12 facts are stipulated, the judge must ascertain from the minor if the  
13 minor agrees with the stipulation and understands the consequences  
14 of stipulating the facts.

15 ~~D. In hearings to determine whether a minor is a minor in need~~  
16 ~~of treatment, the minor shall have the right to demand a trial by~~  
17 ~~jury, which shall be granted as in other cases, unless waived, or~~  
18 ~~the judge on his or her own motion may call a jury to try any such~~  
19 ~~case. Such jury shall consist of six persons.~~

20 ~~1. If a jury trial is not demanded, the~~ The court may receive  
21 as evidence and act upon the evaluation or report of the licensed  
22 mental health professional who evaluated the minor;

23 ~~2. When the hearing is conducted as a jury trial, any witness~~  
24 ~~on behalf of the district attorney shall be subject to cross-~~

1 ~~examination by the attorney for the minor alleged to be a minor~~  
2 ~~requiring treatment.~~

3 E. If authorized by the court, any proceeding held pursuant to  
4 the Inpatient Mental Health and Substance Abuse Treatment of Minors  
5 Act may be conducted via teleconference communication; provided,  
6 that when a parent or child appears for a proceeding via  
7 teleconference, the attorney representing that parent or child shall  
8 personally appear at the hearing. For purposes of this paragraph,  
9 "teleconference communication" means participation in the hearing by  
10 interactive telecommunication, including telephonic communication,  
11 by the absent party, those parties present in court, the attorneys,  
12 and others deemed to be necessary participants to the proceeding  
13 including, but not limited to, foster parents and facility staff  
14 where a child may be receiving care or treatment.
