21 SECTION 3. AMENDATORY 10A O.S. 2011, Section 1-4-707, is
22 amended to read as follows:
23
24

1 Section 1-4-707. A. The following kinds of dispositional
2 orders may be made and shall be in accordance with the best
3 interests of the child:

4 1. a. The court may place the child under protective
5 supervision by the Department of Human Services in the
6 home of the child with the parent or legal guardian
7 with whom the child was residing at the time the
8 events or conditions arose that brought the child
9 within the jurisdiction of the court, subject to such
10 conditions as the court may prescribe that would
11 reasonably prevent the child from continuing to be
12 deprived.

13 b. The court may place the child with the noncustodial
14 parent, if available, upon completion of a home
15 assessment, unless the court finds that the placement
16 would not be in the best interests of the child. Any
17 party with knowledge of the facts may present evidence
18 to the court regarding whether the placement is in the
19 best interests of the child. If the court places the
20 child with the parent, it may do either of the
21 following:

22 (1) order that the noncustodial parent assume sole
23 custodial responsibilities for the child. The
24 court may also order reasonable visitation and

1 the payment of child support by the child's other
2 parent. The court may then terminate its
3 jurisdiction by entering a final permanency
4 order. The final order entered determining
5 custody, visitation and child support from the
6 deprived action:

7 (a) shall remain in full force and effect and
8 shall control over any custody or child
9 support order entered in an administrative
10 or district court action initiated prior to
11 or during the pendency of the deprived
12 action until such time as it is modified by
13 a subsequent order of the district court,
14 and

15 (b) may be docketed and filed in the prior
16 existing or pending administrative or
17 district court action; provided, however, if
18 there is no administrative or district court
19 action then in existence, the surviving
20 order may be used as the sole basis for
21 opening a new administrative or district
22 court action in the same county where the
23 deprived action was pending or in the county
24 where the legal custodian of the child

1 resides. When applicable, the clerk of the
2 juvenile court shall transmit the surviving
3 order to the clerk of the district court of
4 the county where the order is to be filed
5 along with the names and last-known
6 addresses of the parents of the child. The
7 clerk of the district court shall
8 immediately upon receipt open a file without
9 a filing fee, assign a new case number and,
10 when applicable, file the order and send by
11 first-class mail a copy of the order with
12 the new or prior existing case number back
13 to the juvenile court and to the parents of
14 the child at their last-known address. The
15 order shall not be confidential and may be
16 enforced or modified after being docketed
17 and filed in the prior existing or new
18 administrative or district court action, or

19 (2) order that the noncustodial parent assume custody
20 of the child under protective supervision by the
21 Department. The court may order that:

22 (a) reunification services be provided to the
23 parent or legal guardian from whom the child
24 has been or is being removed,

1 (b) services be provided solely to the parent
2 who is assuming physical custody of the
3 child in order to allow that parent to later
4 obtain legal custody without court
5 supervision, or

6 (c) services be provided to both parents, in
7 which case the court shall determine, at a
8 subsequent review hearing, which parent, if
9 either, shall have custody of the child.

10 c. If the court orders the child into the home of a
11 father whose paternity has not been established, the
12 alleged father must cooperate in establishing
13 paternity as a condition for the child's continued
14 placement in the alleged father's home.

15 d. If the court issues an order for protective
16 supervision of the child in the home of a parent, the
17 court may order any of the following:

18 (1) that a party or other person living in the home
19 vacate the child's home indefinitely or for a
20 specified period of time within forty-eight (48)
21 hours of issuing the order, and

22 (2) that a party, a parent, or a legal guardian of
23 the child prevent a particular person from having
24 contact with the child.

1 e. At any time during the deprived child proceedings, the
2 court may issue an order specifying the conduct to be
3 followed by any person living in the home that the
4 court determines would be in the best interests of the
5 child. The conduct specified shall be such as would
6 reasonably prevent the child from continuing to be
7 deprived.

8 f. The order placing the child under supervision by the
9 Department in the child's own home shall remain in
10 effect for a period of one (1) year. In appropriate
11 circumstances, the court may extend or reduce the
12 period of supervision by the Department.

- 13 2. a. If the court is unable to place the child in the home
14 of a parent, the court shall give a preference for
15 placing temporary custody of the child with a relative
16 as specified in Section 1-4-204 of this title, subject
17 to the best interests of the child and the conditions
18 and restrictions specified in Section 1-4-705 of ~~Title~~
19 ~~10A of the Oklahoma Statutes~~ this title. In
20 determining whether to place temporary custody of the
21 child with a relative, the court may consider the
22 following factors:
- 23 (1) the physical, psychological, educational,
24 medical, and emotional needs of the child,

- (2) the wishes of the parent, the relative, and child, if appropriate,
- (3) whether placement of the siblings and half-siblings can be made in the same home, if that placement is found to be in the best interest of each child,
- (4) the background information of the relative and any other person living in the home, including whether any such person has a prior history of violence, acts of child abuse or neglect, or any other background that would render the home unsuitable,
- (5) the nature and duration of the relationship between the child and the relative, and the relative's desire to care for and to provide long-term permanency for the child if reunification is unsuccessful, and
- (6) the ability of the relative to do the following:
 - (a) provide a safe, secure, and stable environment for the child,
 - (b) exercise proper and effective care and control of the child,
 - (c) provide a home and the necessities of life for the child,

- (d) protect the child from his or her parents,
- (e) facilitate court-ordered reunification efforts with the parent,
- (f) facilitate visitation with the child's siblings and other relatives, and
- (g) arrange for appropriate and safe child care, if necessary.

b. If more than one appropriate relative requests preferential consideration pursuant to this section, each relative shall be evaluated under the factors enumerated in this paragraph. However, whenever a new temporary custody order regarding the child must be entered, consideration shall again be given as described in this section to relatives who have been found to be suitable and who will fulfill the permanency needs of the child.

c. If the court does not place temporary custody of the child with a relative pursuant to this subsection, the court shall state for the record the reasons placement with that relative was denied.

3. a. The court may place the child in the custody of a private institution or agency, including any institution established and operated by the county,

1 authorized to care for children or to place them in
2 family homes.

3 b. In placing a child in a private institution or agency,
4 the court shall select one that is licensed by the
5 Department or any other state department supervising
6 or licensing private institutions and agencies; or, if
7 such institution or agency is in another state, by the
8 analogous department of that state.

9 c. Whenever the court shall place a child in any
10 institution or agency, it shall transmit with the
11 order of commitment a summary of its information
12 concerning the child, and such institution or agency
13 shall give to the court such information concerning
14 the child as the court may at any time require.

15 4. The court may place the child in the custody of the
16 Department.

17 a. In selecting a placement for a child in its custody,
18 the Department shall make an individualized
19 determination based upon the child's best interests
20 and permanency plan regarding the following placement
21 options:

22 (1) a home or facility that meets the preferences
23 specified by the state and federal Indian Child
24 Welfare Acts when applicable,

- (2) the home of a noncustodial parent,
- (3) the home of a relative approved by the Department,
- (4) the home of a nonrelative kinship family approved by the Department,
- (5) an approved foster home in which the child has been previously placed,
- (6) a suitable nonkinship foster family or family-style living program approved by the Department,
- (7) a suitable licensed group home for children, or
- (8) an independent living program.

- b. (1) Unless the child is placed with relatives or in accord with the federal and state Indian Child Welfare Acts, the child shall be placed, when possible, in the county of residence of the child's parent or legal guardian in order to facilitate reunification of the family.
- (2) If an appropriate placement is not available in the county of residence of the parent or legal guardian, the child shall be placed in an appropriate home in the nearest proximity to the resident county of the parent or legal guardian.
- (3) Nothing in this section shall be construed to mean that the child's placements shall correspond

1 in frequency to changes of residence by the
2 parent or legal guardian. In determining whether
3 the child should be moved, the Department shall
4 take into consideration the potential harmful
5 effects of disrupting the placement of the child
6 and the reason of the parent or legal guardian
7 for the move.

- 8 c. If the child is part of a sibling group, it shall be
9 presumed that placement of the entire sibling group in
10 the same placement is in the best interests of the
11 child and siblings unless the presumption is rebutted
12 by a preponderance of the evidence to the contrary.

13 5. The court may order the Department to coordinate the
14 provision of services provided by other agencies in order that the
15 court-approved permanency plan may be achieved.

- 16 6. a. If the court determines that reunification services
17 are appropriate for the child and a parent, the court
18 shall allow reasonable visitation with the parent or
19 legal guardian from whose custody the child was
20 removed, unless visitation is not in the best interest
21 of the child, taking into consideration:
22 (1) protection of the physical safety of the child,
23 (2) protection of the life of the child,
24

1 (3) protection of the child from being traumatized by
2 contact with the parent, and
3 (4) the child's expressed wishes.

4 b. A court may not deny visitation based solely on the
5 failure of a parent to prove that the parent has not
6 used legal or illegal substances or complied with an
7 aspect of the court-ordered individualized service
8 plan.

9 7. The court may order a permanent guardianship to be
10 established as more fully set forth in Section 1-4-709 of this
11 title.

12 8. Except as otherwise provided by law, the court may dismiss
13 the petition and terminate its jurisdiction at any time for good
14 cause shown when doing so is in the best interests of the child.

15 B. Any order entered pursuant to this section shall include:

16 1. A statement informing the child's parent that the
17 consequences of noncompliance with the requirement of the court may
18 include termination of the parent's rights with respect to the
19 child; or

20 2. A statement informing the child's legal guardian or
21 custodian that the consequences of noncompliance with the
22 requirement of the court may include removal of the child from the
23 custody of the legal guardian or custodian.

1 C. 1. In any dispositional order removing a child from the
2 home of the child, the court shall make a determination as to
3 whether, in accordance with the best interests and the health,
4 safety, or welfare of the child, reasonable efforts have been made
5 to provide for the safe return of the child to the child's own home.

6 2. If reasonable efforts are required for the safe return of
7 the child to the child's home, the court shall allow the parent of
8 the child not less than three (3) months to correct the conditions
9 which led to the adjudication of the child as a deprived child;
10 however, the time period for reunification services may not exceed
11 seventeen (17) months from the date that the child was initially
12 removed from the child's home, absent a finding of compelling
13 reasons to the contrary.

14 3. If the court finds that continuation of reasonable efforts
15 to return the child home are inconsistent with the permanency plan
16 for a child, the court shall determine whether reasonable efforts
17 have been made to complete the steps necessary to finalize the
18 permanent placement of the child.

19 4. Reasonable efforts to reunite the child with the child's
20 family shall not be required pursuant to the provisions of Section
21 1-4-809 of ~~Title 10A of the Oklahoma Statutes~~ this title.

22 D. In any dispositional order involving a child sixteen (16)
23 years of age or older, the court shall make a determination, where
24

1 appropriate, of the services needed to assist the child to make the
2 transition from out-of-home care to independent living.

3 E. In accordance with the safety or well-being of any child,
4 the court shall determine in any dispositional order whether
5 reasonable efforts have been made to:

6 a. place siblings, who have been removed, together in the
7 same foster care, guardianship, or adoptive placement,
8 and

9 b. provide for frequent visitation or other ongoing
10 interaction in the case of siblings who have been
11 removed and who are not placed together.

3 faith as that of the parents of the child, or in case of a
4 difference in the religious faith of the parents, then of the
5 religious faith of the child.

6 B. Except as otherwise provided by this section or by law, it
7 shall be left to the discretion of the judge to place the custody of
8 children in the least-restrictive placement where their total needs
9 will best be served. If an individual meets the minimum required
10 age for placement purposes, the age of an otherwise eligible
11 individual shall not be a reason for denying the individual
12 placement or custody of a child.

13 C. A prospective foster or adoptive parent shall not be an
14 approved placement for a child if the prospective foster or adoptive
15 parent or any other person residing in the home of the prospective
16 foster or adoptive parent has been convicted of any of the following

7 living with an individual subject to the Oklahoma Sex Offenders
8 Registration Act.

9 2. In addition, prior to the court placing a child in the
10 custody of an individual, the court shall inquire as to whether the
11 individual has been previously convicted of any felony or relevant
12 misdemeanor or has any felony or misdemeanor charges pending.

13 3. Prior to the custody order being entered, the individual
14 seeking custody shall provide an Oklahoma criminal history record
15 obtained pursuant to Section 150.9 of Title 74 of the Oklahoma
16 Statutes to the court.

17 4. For purposes of this subsection the terms:

- 18 a. "relevant misdemeanor" may include assault and
19 battery, alcohol- or drug-related offenses, domestic
20 violence or other offenses involving the use of
21 physical force or violence against the person or
22 property of another, and
23 b. "individual" shall not include a parent or legal
24 guardian of the child.

1 E. The provisions of this section shall not apply in any
2 paternity or domestic relations case, unless otherwise ordered by
3 the court.

4 SECTION 8. AMENDATORY 10A O.S. 2011, Section 1-4-707, is
5 amended to read as follows:

6 Section 1-4-707. A. The following kinds of dispositional
7 orders may be made and shall be in accordance with the best
8 interests of the child:

9 1. a. The court may place the child under protective
10 supervision by the Department of Human Services in the
11 home of the child with the parent or legal guardian
12 with whom the child was residing at the time the
13 events or conditions arose that brought the child
14 within the jurisdiction of the court, subject to such
15 conditions as the court may prescribe that would
16 reasonably prevent the child from continuing to be
17 deprived.

18 b. The court may place the child with the noncustodial
19 parent, if available, upon completion of a home
20 assessment, unless the court finds that the placement
21 would not be in the best interests of the child. Any
22 party with knowledge of the facts may present evidence
23 to the court regarding whether the placement is in the
24 best interests of the child. If the court places the

1 child with the parent, it may do either of the
2 following:

3 (1) order that the noncustodial parent assume sole
4 custodial responsibilities for the child. The
5 court may also order reasonable visitation and
6 the payment of child support by the child's other
7 parent. The court may then terminate its
8 jurisdiction by entering a final permanency
9 order. The final order entered determining
10 custody, visitation and child support from the
11 deprived action:

12 (a) shall remain in full force and effect and
13 shall control over any custody or child
14 support order entered in an administrative
15 or district court action initiated prior to
16 or during the pendency of the deprived
17 action until such time as it is modified by
18 a subsequent order of the district court,
19 and

20 (b) may be docketed and filed in the prior
21 existing or pending administrative or
22 district court action; provided, however, if
23 there is no administrative or district court
24 action then in existence, the surviving

order may be used as the sole basis for opening a new administrative or district court action in the same county where the deprived action was pending or in the county where the legal custodian of the child resides. When applicable, the clerk of the juvenile court shall transmit the surviving order to the clerk of the district court of the county where the order is to be filed along with the names and last-known addresses of the parents of the child. The clerk of the district court shall immediately upon receipt open a file without a filing fee, assign a new case number and, when applicable, file the order and send by first-class mail a copy of the order with the new or prior existing case number back to the juvenile court and to the parents of the child at their last-known address. The order shall not be confidential and may be enforced or modified after being docketed and filed in the prior existing or new administrative or district court action, or

1 (2) order that the noncustodial parent assume custody
2 of the child under protective supervision by the
3 Department. The court may order that:

4 (a) reunification services be provided to the
5 parent or legal guardian from whom the child
6 has been or is being removed,

7 (b) services be provided solely to the parent
8 who is assuming physical custody of the
9 child in order to allow that parent to later
10 obtain legal custody without court
11 supervision, or

12 (c) services be provided to both parents, in
13 which case the court shall determine, at a
14 subsequent review hearing, which parent, if
15 either, shall have custody of the child.

16 c. If the court orders the child into the home of a
17 father whose paternity has not been established, the
18 alleged father must cooperate in establishing
19 paternity as a condition for the child's continued
20 placement in the alleged father's home.

21 d. If the court issues an order for protective
22 supervision of the child in the home of a parent, the
23 court may order any of the following:
24

1 (1) that a party or other person living in the home
2 vacate the child's home indefinitely or for a
3 specified period of time within forty-eight (48)
4 hours of issuing the order, and

5 (2) that a party, a parent, or a legal guardian of
6 the child prevent a particular person from having
7 contact with the child.

8 e. At any time during the deprived child proceedings, the
9 court may issue an order specifying the conduct to be
10 followed by any person living in the home that the
11 court determines would be in the best interests of the
12 child. The conduct specified shall be such as would
13 reasonably prevent the child from continuing to be
14 deprived.

15 f. The order placing the child under supervision by the
16 Department in the child's own home shall remain in
17 effect for a period of one (1) year. In appropriate
18 circumstances, the court may extend or reduce the
19 period of supervision by the Department.

20 2. a. If the court is unable to place the child in the home
21 of a parent, the court shall give a preference for
22 placing temporary custody of the child with a relative
23 as specified in Section 1-4-204 of this title, subject
24 to the best interests of the child and the conditions

1 and restrictions specified in Section 1-4-705 of ~~Title~~
2 ~~10A of the Oklahoma Statutes~~ this title. In
3 determining whether to place temporary custody of the
4 child with a relative, the court may consider the
5 following factors:

- 6 (1) the physical, psychological, educational,
7 medical, and emotional needs of the child,
- 8 (2) the wishes of the parent, the relative, and
9 child, if appropriate,
- 10 (3) whether placement of the siblings and half-
11 siblings can be made in the same home, if that
12 placement is found to be in the best interest of
13 each child,
- 14 (4) the background information of the relative and
15 any other person living in the home, including
16 whether any such person has a prior history of
17 violence, acts of child abuse or neglect, or any
18 other background that would render the home
19 unsuitable,
- 20 (5) the nature and duration of the relationship
21 between the child and the relative, and the
22 relative's desire to care for and to provide
23 long-term permanency for the child if
24 reunification is unsuccessful, and

1 (6) the ability of the relative to do the following:

2 (a) provide a safe, secure, and stable
3 environment for the child,

4 (b) exercise proper and effective care and
5 control of the child,

6 (c) provide a home and the necessities of life
7 for the child,

8 (d) protect the child from his or her parents,

9 (e) facilitate court-ordered reunification
10 efforts with the parent,

11 (f) facilitate visitation with the child's
12 siblings and other relatives, and

13 (g) arrange for appropriate and safe child care,
14 if necessary.

15 b. If more than one appropriate relative requests
16 preferential consideration pursuant to this section,
17 each relative shall be evaluated under the factors
18 enumerated in this paragraph. However, whenever a new
19 temporary custody order regarding the child must be
20 entered, consideration shall again be given as
21 described in this section to relatives who have been
22 found to be suitable and who will fulfill the
23 permanency needs of the child.
24

1 c. If the court does not place temporary custody of the
2 child with a relative pursuant to this subsection, the
3 court shall state for the record the reasons placement
4 with that relative was denied.

5 3. a. The court may place the child in the custody of a
6 private institution or agency, including any
7 institution established and operated by the county,
8 authorized to care for children or to place them in
9 family homes.

10 b. In placing a child in a private institution or agency,
11 the court shall select one that is licensed by the
12 Department or any other state department supervising
13 or licensing private institutions and agencies; or, if
14 such institution or agency is in another state, by the
15 analogous department of that state.

16 c. Whenever the court shall place a child in any
17 institution or agency, it shall transmit with the
18 order of commitment a summary of its information
19 concerning the child, and such institution or agency
20 shall give to the court such information concerning
21 the child as the court may at any time require.

22 4. The court may place the child in the custody of the
23 Department.
24

1 a. In selecting a placement for a child in its custody,
2 the Department shall make an individualized
3 determination based upon the child's best interests
4 and permanency plan regarding the following placement
5 options:

- 6 (1) a home or facility that meets the preferences
7 specified by the state and federal Indian Child
8 Welfare Acts when applicable,
9 (2) the home of a noncustodial parent,
10 (3) the home of a relative approved by the
11 Department,
12 (4) the home of a nonrelative kinship family approved
13 by the Department,
14 (5) an approved foster home in which the child has
15 been previously placed,
16 (6) a suitable nonkinship foster family or family-
17 style residential program approved by the
18 Department,
19 (7) a suitable licensed group home for children, or
20 (8) an independent living program.

21 b. (1) Unless the child is placed with relatives or in
22 accord with the federal and state Indian Child
23 Welfare Acts, the child shall be placed, when
24 possible, in the county of residence of the

1 child's parent or legal guardian in order to
2 facilitate reunification of the family.

3 (2) If an appropriate placement is not available in
4 the county of residence of the parent or legal
5 guardian, the child shall be placed in an
6 appropriate home in the nearest proximity to the
7 resident county of the parent or legal guardian.

8 (3) Nothing in this section shall be construed to
9 mean that the child's placements shall correspond
10 in frequency to changes of residence by the
11 parent or legal guardian. In determining whether
12 the child should be moved, the Department shall
13 take into consideration the potential harmful
14 effects of disrupting the placement of the child
15 and the reason of the parent or legal guardian
16 for the move.

17 c. If the child is part of a sibling group, it shall be
18 presumed that placement of the entire sibling group in
19 the same placement is in the best interests of the
20 child and siblings unless the presumption is rebutted
21 by a preponderance of the evidence to the contrary.

22 5. The court may order the Department to coordinate the
23 provision of services provided by other agencies in order that the
24 court-approved permanency plan may be achieved.

1 6. a. If the court determines that reunification services
2 are appropriate for the child and a parent, the court
3 shall allow reasonable visitation with the parent or
4 legal guardian from whose custody the child was
5 removed, unless visitation is not in the best interest
6 of the child, taking into consideration:

- 7 (1) protection of the physical safety of the child,
8 (2) protection of the life of the child,
9 (3) protection of the child from being traumatized by
10 contact with the parent, and
11 (4) the child's expressed wishes.

12 b. A court may not deny visitation based solely on the
13 failure of a parent to prove that the parent has not
14 used legal or illegal substances or complied with an
15 aspect of the court-ordered individualized service
16 plan.

17 7. The court may order a permanent guardianship to be
18 established as more fully set forth in Section 1-4-709 of this
19 title.

20 8. Except as otherwise provided by law, the court may dismiss
21 the petition and terminate its jurisdiction at any time for good
22 cause shown when doing so is in the best interests of the child.

23 B. Any order entered pursuant to this section shall include:
24

1 1. A statement informing the child's parent that the
2 consequences of noncompliance with the requirement of the court may
3 include termination of the parent's rights with respect to the
4 child; or

5 2. A statement informing the child's legal guardian or
6 custodian that the consequences of noncompliance with the
7 requirement of the court may include removal of the child from the
8 custody of the legal guardian or custodian.

9 C. 1. In any dispositional order removing a child from the
10 home of the child, the court shall make a determination as to
11 whether, in accordance with the best interests and the health,
12 safety, or welfare of the child, reasonable efforts have been made
13 to provide for the safe return of the child to the child's own home.

14 2. If reasonable efforts are required for the safe return of
15 the child to the child's home, the court shall allow the parent of
16 the child not less than three (3) months to correct the conditions
17 which led to the adjudication of the child as a deprived child;
18 however, the time period for reunification services may not exceed
19 seventeen (17) months from the date that the child was initially
20 removed from the child's home, absent a finding of compelling
21 reasons to the contrary.

22 3. If the court finds that continuation of reasonable efforts
23 to return the child home are inconsistent with the permanency plan
24 for a child, the court shall determine whether reasonable efforts

1 have been made to complete the steps necessary to finalize the
2 permanent placement of the child.

3 4. Reasonable efforts to reunite the child with the child's
4 family shall not be required pursuant to the provisions of Section
5 1-4-809 of ~~Title 10A of the Oklahoma Statutes~~ this title.

6 D. In any dispositional order involving a child sixteen (16)
7 years of age or older, the court shall make a determination, where
8 appropriate, of the services needed to assist the child to make the
