15 every licensed brewer or cider manufacturer authorized to sell its
16 beer or cider in this state shall:

17 1. Enter into a distributor agreement with a licensed
18 distributor, as defined herein, to sell the designated brands,
19 including brand extensions, of the brewer or cider manufacturer.
20 The agreement shall designate the sales territory of that licensed
21 distributor and the designated brands to be sold by the licensed
22 distributor. All such distributor agreements shall specifically
23 authorize this sale of the designated brands by a licensed
24 distributor within that sales territory. All such distributor

1 agreements shall further provide that the licensed brewer or cider
2 manufacturer who desires to sell a brand extension of a low-point
3 beer in Oklahoma must assign the low-point beer brand extension to
4 the licensed distributor to whom the licensed brewer or cider
5 manufacturer granted the exclusive sales territory to the low-point
6 beer brand from which the brand extension resulted;

7 2. Sell its registered and approved designated brands only to a
8 licensed distributor with whom that brewer or cider manufacturer has
9 a distributor agreement designating the sales territory of the
10 licensed distributor and the designated brands to be sold by the
11 licensed distributor;

12 3. Authorize only one licensed distributor for each designated
13 sales territory. Such licensed distributor shall be the only

22 the introduction of that low-point beer's correlating beer brand
23 extension in that specific territory shall retain the right to
24

1 distribute the low-point beer from which the brand extension
2 resulted.

3 D. 1. No later than August 2, 2018, a brewer shall assign the
4 exclusive right to distribute a beer brand, including brand
5 extensions thereof, to the low-point beer distributor who was, prior
6 to October 1, 2018, assigned the exclusive distribution rights to
7 the low-point beer from which the brand extension arose without
8 charge or payment of compensation, unless the low-point beer
9 distributor is, on October 1, 2018, a brewer of beer or low-point
10 beer and has therefore been distributing low-point beer pursuant to
11 a license to so distribute, subject to the provisions of subsection
12 E of this section. This subsection shall not apply to a small
13 brewer as defined in Section 1-103 of this title.

14 2. With respect to brand extensions which arise after October
15 1, 2018, the brewer or cider manufacturer shall assign the exclusive

18 from which the brand extension arose, without charge or payment of
19 compensation.

20 3. With respect to a brand of beer or cider which was, prior to
21 April 15, 2017, distributed in this state only as strong beer or
22 cider pursuant to the Oklahoma Alcoholic Beverage Control Act then
23 in effect, if a low-point version of the brand is introduced after
24 April 15, 2017, no later than August 2, 2018, the brewer or cider

1 manufacturer shall assign the exclusive rights to distribute the
2 low-point version of the brand to the distributor who was,
3 immediately prior to the introduction of the low-point version of
4 the brand, assigned the exclusive distribution rights to the strong
5 version of the brand without charge or payment of compensation.

6 4. No later than August 2, 2018, with respect to dual strength
7 beer, the brewer thereof shall assign the exclusive right to
8 distribute the brands represented by the dual strength beer to
9 either the low-point beer distributor or the nonresident seller who
10 had theretofore been assigned the exclusive distribution rights in
11 the territory to either version of the dual strength beer; provided,
12 however, whichever party is selected by the brewer must compensate
13 the party that was not selected by the brewer for the loss of the
14 distribution rights with respect to that particular territory.
15 Whichever party is selected shall obtain the requisite distributor
16 license and shall be subject to the provisions of the Oklahoma
17 Alcoholic Beverage Control Act.

18 5. Compensation for the purposes of this provision shall be the
19 fair market value of the party losing its distribution rights with
20 respect to the beer within that specific territory. Fair market
21 value shall be determined as set forth in Section 3-111 of this
22 title and shall take into account all aspects of brand valuation,
23 including but not limited to:

- a. the diminished value of the distribution of one version of beer as a consequence of the subsequent introduction of the other version,
- b. the expected annual sales and earnings of the distributor agreement,
- c. the length of time the existing distributor held in the distribution sales agreement, and
- d. any other relevant items of value, such as goodwill and going concern.

E. If a brewer, whether directly or through an affiliate, maintained one or more licenses to distribute low-point beer in this state prior to October 1, 2018, then up to two of the brewer's low-point beer distribution licenses shall automatically convert to beer distribution licenses on October 1, 2018, and such brewer shall be permitted to continue to distribute beer in two territories within which it currently distributes without the appointment of a distributor for such period of time as determined by the Legislature and consistent with the Constitution of the State of Oklahoma; provided however, it shall not be permitted to distribute beer outside of the territory unless it enters into a distributor agreement with an independent licensed distributor as provided in paragraph 1 of subsection B of this section. This section shall not apply to small brewers that have elected to self-distribute.

1 F. If, on October 1, 2018, a licensed distributor possesses
2 inventory of a brand that it is no longer authorized to distribute
3 within this state, such inventory shall be sold to a licensed
4 distributor authorized to distribute such brand, at a price not to
5 exceed the total of the actual purchase price of the selling
6 distributor plus the cost of inbound and outbound shipping to the
7 purchasing distributor. The provisions of this paragraph shall not
8 apply to inventory purchased on or after September 15, 2018.

9 SECTION 15. AMENDATORY Section 80, Chapter 366, O.S.L.

12 Section 3-110. A. A licensed distributor designated as the
13 licensed distributor for a beer brand within a designated sales
14 territory shall present that beer brand for sale to all on-premise
15 licensees on the same price basis and without discrimination and to
16 all off-premise licensees on the same price basis within a
17 particular county and without discrimination. A licensed
18 distributor shall not sell, supply or deliver, either directly or
19 indirectly through a third party, a beer brand to a licensed
20 retailer outside of the designated sales territory of the designated
21 distributor nor to any person the licensed distributor has reason to
22 believe will sell or supply any quantity of the beer brand to any
23 retail location outside of the designated sales territory of the

3 licensed distributor or an employee of the distributor for the
4 products of a licensed brewer or cider manufacturer within the
5 designated sales territory to the address and location of a licensed
6 retailer within that designated sales territory.

7 C. Any beer sold by the licensed distributor shall not be
8 delivered to, received by or stored at any place other than the
9 address and location of the licensed retailer for which state and
10 local retailer licenses or permits have been issued, except as
11 otherwise provided by law.

12 D. With the approval of the licensed brewer or cider
13 manufacturer, a licensed distributor may sell the designated brands
14 to a licensed retailer located in a designated sales territory of
15 another licensed distributor if that licensed distributor is
16 temporarily unable for any reason to provide the designated brands
17 of the licensed brewer or cider manufacturer within its designated
18 sales territory.

19 E. All beer purchased by a licensed distributor for resale in
20 this state shall physically come into the possession of the licensed

2 to park full trailers and Waymatics in the supplier area of the
3 events for the purposes of pulling and selling product to special
4 event, public event, caterer, on-premises beer and wine and mixed
5 beverage licensees. A temporary event shall not exceed fourteen
6 (14) consecutive calendar days in duration. The trailer/Waymatic

22 5. For temporary events lasting less than five (5) days and for

2 invoice upon receipt; and

3 6. For all temporary events, the beer distributor has the
4 option of requiring the purchasing licensee to deliver a check for
5 the full amount of the product contained within the trailer(s) at
6 the beginning of the event to be held by the beer distributor
7 pending completion of the event and reconciliation and payment.
8 Such a requirement shall not be deemed a consignment sale, a credit
9 transaction, or a violation of any rules or law.

10 The provisions of this subsection shall apply to small brewer
11 self-distributors and brewpub self-distributors.

12 SECTION 16. AMENDATORY Section 82, Chapter 366, O.S.L.
13 2016 (37A O.S. Supp. 2018, Section 3-112), is amended to read as
14 follows:

15 Section 3-112. The operation and maintenance of a brewpub is
16 subject to the following conditions:

21 Control Act;

22 2. Each brewpub licensee shall comply with all other applicable
23 state and local license and permit requirements; and
24

1 3. In order to qualify for a brewpub license, a brewer or
2 manufacturer must meet the definition of a small brewer.

3 SECTION 17. AMENDATORY Section 85, Chapter 366, O.S.L.
4 2016 (37A O.S. Supp. 2018, Section 3-115), is amended to read as
5 follows:

6 Section 3-115. A. To assure and control quality, a beer
7 distributor or a holder of a small brewer self-distribution license
8 or brewpub self-distribution license, at the time of a regular
9 delivery, may withdraw with the permission of the retailer, a
10 quantity of beer or cider in undamaged original packaging from the
11 retailer's stock if:

12 1. The beer distributor or holder of a small brewer self-
13 distribution license or brewpub self-distribution license replaces
14 the stock with beer or cider of ~~identical~~, equivalent value brands,
15 quantities, packaging and alcohol by volume as the beer or cider
16 withdrawn; or

17 2. The stock is withdrawn before the date, or immediately after
18 the date, considered by the brewer of the product to be the date the
19 product becomes inappropriate for sale to a consumer.

20 B. The provisions of this section shall not apply to beer or
21 cider that:

22 1. Has suffered damage at the retail licensee's location,
23 regardless of the date upon which the product becomes inappropriate
24 for sale to a consumer. Beer distributors, small brewer self-

distributors and brewpub self-distributors are prohibited from giving a refund for or replacing beer or cider that was damaged while in the possession of the retail licensee. Retail licensees are prohibited from requesting or requiring the beer distributor, small brewer self-distributor and brewpub self-distributor to remove such damaged product as a condition of continued business with the retail licensee; or

Retail licensees and brewers are prohibited from requesting or requiring the beer distributor, small brewer self-distributor and brewpub self-distributor to remove such expired beer or cider as a condition of continued business with the retail licensee or brewer.

C. A consignment sale of beer is not authorized under this section.

SECTION 18. AMENDATORY Section 86, Chapter 366, O.S.L. 2016, as amended by Section 17, Chapter 364, O.S.L. 2017 (37A O.S. Supp. 2018, Section 3-116), is amended to read as follows:

Section 3-116. A. Any manufacturer or subsidiary of a manufacturer who markets its products solely through a subsidiary or subsidiaries, a distiller, rectifier, bottler, winemaker or importer of alcoholic beverages, bottled or made in a foreign country, either within or without this state, may sell such brands or kinds of alcoholic beverages to every licensed wine and spirits wholesaler

1 who desires to purchase the same, on the same price basis and
2 without discrimination or inducements, and shall further be required
3 to sell such beverages only to those persons licensed as wine and
4 spirits wholesalers.

5 B. The provisions of subsection A of this section shall not
6 apply to a brewer except as otherwise stated herein. In the event a
7 brewer, who has entered into territorial distribution agreements
8 with beer distributors in this state, markets wine and spirits
9 products in this state either itself or through a subsidiary or
10 affiliate, then such brewer, subsidiary or affiliate may elect to
11 designate beer distributors, with whom it has entered into
12 territorial distribution agreements, as its designated wholesalers
13 for any wine and spirit products to be sold by the brewer,
14 subsidiary or affiliate within said beer distributors' existing
15 territories, provided such beer distributors must also hold a wine
16 and spirits wholesaler license. In such event, the beer
17 distributors shall be deemed designated wholesalers for the
18 territory with respect to the designated products. Provided, in the
19 event a beer distributor has not obtained a wine and spirits
20 license, has elected not to sell wine and spirits in its respective
21 territory or, in the brewer's commercially reasonable discretion, is
22 not suitable to sell wine and spirits in its respective territory,
23 then the brewer, subsidiary or affiliate may extend the territory of
24 an existing beer distributor, with whom it has entered into a

1 territorial distribution agreement and who holds a wine and spirits
2 wholesaler license, for said territory. For purposes of this
3 subsection only, the phrase "subsidiary or affiliate" shall mean any
4 entity that the brewer controls, is controlled by, or is under
5 common control with, during the time that the wine and spirits
6 brands are offered for sale in this state, and "control" shall mean
7 ownership of more than fifty percent (50%) of the voting securities
8 or assets of, or the ability to dictate the material operations of,
9 another entity. If the brewer, subsidiary or affiliate sells the
10 wine and spirits brands to a manufacturer other than one that would
11 otherwise fall within the provisions of this subsection, then the
12 rights provided in this subsection which relate to the wine and
13 spirits brands shall terminate. The rights provided to beer
14 distributors pursuant to Section 3-111 of this title shall not be
15 extended to apply to the wine or spirits brands distributed pursuant
16 to this subsection.

17 C. No manufacturer shall require a wine and spirits wholesaler
18 ~~or beer distributor~~ to purchase any alcoholic beverages or any
19 goods, wares or merchandise as a condition to the wine and spirits
20 wholesaler ~~or beer distributor~~ obtaining or being entitled to
21 purchase any alcoholic beverages.

22 Violation of this section shall be a misdemeanor. Conviction
23 hereunder shall automatically revoke the violator's license.

1 D. In the event a manufacturer or nonresident seller has not
2 designated a ~~wine and spirits wholesaler~~ designated wholesaler to
3 sell its ~~product~~ products in the state, the ~~product~~ nondesignated
4 products shall be posted in accordance with the following:

5 1. On the first business day of each month, the manufacturer
6 shall post with the ABLE Commission the price of all wine and
7 spirits it proposes to offer for sale to licensed wine and spirit
8 wholesalers in this state. All prices shall become effective on the
9 first business day of the following month and shall remain in effect
10 and unchanged for a period of not less than one (1) month. The
11 posting shall be submitted on a form approved by the ABLE Commission
12 and shall identify the brand, size, alcohol content and price of
13 each item intended to be offered for sale. No change or
14 modification of the posted price shall be permitted except upon
15 written permission from the ABLE Commission based on good cause
16 shown;

17 2. When a new item is registered, or an old item is
18 discontinued, or any change is made by a manufacturer or nonresident
19 seller as to price, age, proof, label or type of bottle of any item
20 offered for sale in this state, such new item, discontinued item or
21 change in price, age, proof, label or type of bottle of any item
22 shall be listed separately on the cover page of the price schedule
23 and, in the case of prices changed, shall reflect both the old and
24 the new price of the item changed. All new items and changes as to

1 age, proof, label or type of bottle in which any item is offered for
2 sale shall first be submitted in writing to the ABLE Commission for
3 approval under such requirements as it may deem proper. Approval or
4 disapproval of price changes shall not be required if filed in
5 conformity with the provisions of this subsection.

6 a. In addition to the foregoing requirements, the
7 manufacturer shall, at the same time, on regular forms
8 provided by the ABLE Commission, re-register all items
9 of alcoholic beverage which the manufacturer had
10 registered and offered for sale in this state during
11 the previous price period.

12 b. A short form of price posting may be permitted by the
13 ABLE Commission for any price period in which no new
14 item is offered or old item discontinued, or change is
15 made in the price, age, proof, label or type of bottle
16 of any item offered by any manufacturer. Such short
17 form shall contain only such statements as the
18 Director may require or permit;

19 3. The brand name, size, proof and type of alcoholic beverages
20 must be shown on each container sold in this state;

21 4. No brand of alcoholic beverage shall be listed on a price
22 list or posting in more than one place, or offered for sale by more
23 than one method, or at more than one price, except as provided
24 hereafter:

1 a. a manufacturer who has posted F.O.B. prices from a
2 foreign shipping point shall also list the same
3 item(s) at an F.O.B. point within the continental
4 United States. Only one United States F.O.B. point
5 shall be permitted, and

6 b. a manufacturer may list on their price list or posting
7 an item of specific size that may be packaged in more
8 than one type or design container, provided that the
9 containers being offered have been approved by the
10 ABLE Commission;

11 5. The manufacturer shall sell to the wine and spirits
12 wholesalers all items of wine and spirits at the current posted
13 price in effect on the date of the shipment as shown on the
14 manifest, bill of lading or invoice;

15 6. A full and correct copy of each said price registration
16 shall be transmitted to wine and spirits wholesalers on the same day
17 such prices are filed with or mailed to the ABLE Commission. Proof
18 of such mailing or delivery shall be furnished the ABLE Commission
19 by the manufacturer with the price registration or upon request;

20 7. The sale, or offer to sell, of any item of alcoholic
21 beverage by a manufacturer to a wine and spirits wholesaler at a
22 price not in compliance with the price posted with the ABLE
23 Commission may be deemed a violation; and
24

1 8. This subsection shall not apply to a manufacturer that has
2 designated a wine and spirits wholesaler to sell its product in the
3 state or a brewer who has appointed a beer distributor as a
4 designated wholesaler pursuant to subsection B of Section 3-116 of
5 this title, with respect to designated products.

6 SECTION 19. AMENDATORY Section 18, Chapter 364, O.S.L.
7 2017 (37A O.S. Supp. 2018, Section 3-116.1), is amended to read as
8 follows:

9 Section 3-116.1 A. In the event a manufacturer has not
10 designated a wine and spirits wholesaler, or a brewer has not
11 appointed a beer distributor as a designated wholesaler pursuant to
12 subsection B of Section 3-116 of this title, to sell its product in
13 the state, then every wine and spirits wholesaler that sells that
14 product shall comply with the following posting requirements:

15 1. All wine and spirits wholesalers who choose to sell the
16 ~~nondesignated product~~ Nondesignated Product shall file with the ABLE
17 Commission on the fifteenth day of each posting month a proposed
18 category percentage markup. A percentage markup shall be defined as
19 a percentage of increase or decrease in relation to the wholesaler
20 laid-in-cost for all items in each category. The percentage does
21 not have to be the same for all categories, but in the original
22 posting the percentage shall be the same for all items in the same
23 category;

1 2. The proposed markups shall be computed by percentage in the
2 four categories: Spirits, Cordials and Specialties, Wines-Domestic

7 The price postings, except for unmodified percentage markups, shall
8 describe each item by brand, size, age, type and proof. Wines and
9 champagnes shall reflect the alcoholic contents thereof;

10 8. The percentage markup utilized by a wine and spirits
11 wholesaler in calculating its adjusted prices may be at any level
12 between its originally posted percentage markup and the lowest
13 percentage markup originally posted by any other wine and spirits

15 lowest percentage posted by any wine and spirits wholesaler. Any
16 fraction within four (4) decimals in determining final prices of
17 bottles shall be raised to the next higher cent;

18 9. Each wine and spirits wholesaler may, upon the twenty-fifth

22 Such bottle handling and transportation charge shall be in effect
23 for the duration of the price posting which it accompanies.
24 Provided, that if a licensee shall order any item in full case lots

13 minimum charge, if it is more than One Dollar (\$1.00), and the
14 amount of the minimum order shall be included in the price posting;

15 12. All price postings, as adjusted, shall become effective on
16 the first day of the following month and remain in effect for a
17 period of two (2) months. No other charge may be assessed by the
18 wholesaler to the licensee except those expressly authorized by the
19 provisions of the Oklahoma Alcoholic Beverage Control Act or the

22 wine and spirits wholesaler shall be filed with the ABLE Commission

3 event of a new item posting, mailings to wine and spirits
4 wholesalers and those licensed to purchase wine and spirits in the
5 state, as herein required, shall be sent on the same date as the
6 postings;

7 14. When a wine and spirits wholesaler discontinues an item, or
8 does not have an item in its warehouse or on order, the item shall
9 be deleted from its price posting. When or if the item is restocked
10 or replaced in the inventory of the wine and spirits wholesaler, it
11 shall be reentered into the price postings as would a new item;

12 15. The sale of or the offer to sell alcoholic beverages at the
13 prices quoted in such price posting before the same is in force and
14 effect shall be grounds for the suspension or revocation of the wine
15 and spirits wholesaler's license if the new price varies from the
16 price then in effect; and

17 16. The provisions of this section are severable, and if any
18 provisions of the same shall be void, the decision of the court so
19 holding shall not affect or impair the remaining parts or provisions
20 thereof.

21 B. This section shall not apply to products that have been
22 designated by a manufacturer for distribution by a wine and spirits
23 wholesaler or by a brewer for distribution by a beer distributor
24

1 pursuant to subsection B of Section 3-116 of this title in the
2 state.
