12 the contribution which establishes the proportionate  
13 share of the credit which may be claimed by any  
14 taxpayer so that the maximum credits authorized by  
15 this section are not exceeded.

16 c. Beginning for tax year 2016, credits earned, but not

5 I. The credit authorized by this section shall not be used to  
6 reduce the tax liability of the taxpayer to less than zero (0).

16 county-by-county basis, and
- 17 e. the total number and total amount of grants made  
18 during the immediately preceding school year for  
19 innovative educational programs at public school by  
20 each county in which the organization made grants.

21 4. The information required under paragraph 3 of this  
22 subsection shall be submitted on a form provided by the Tax  
23 Commission. No later than May 1 of each year, the Tax Commission  
24 shall annually distribute sample forms together with the forms on

1 which the reports are required to be made to each approved  
2 organization.

3 5. The Tax Commission shall not require any other information  
4 be provided by an organization, except as expressly authorized in  
5 this section.

6 L. In consultation with the State Department of Education, the  
7 Tax Commission shall promulgate rules necessary to implement this  
8 act. The rules shall include procedures for the registration of a  
9 scholarship-granting organization or an educational improvement  
10 grant organization for purposes of determining if the organization  
11 meets the requirements of this act or for the revocation of the  
12 registration of an organization, if applicable, and for notice as  
13 required in subsection H of this section.
