BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 11-103.9b of Title 70, unless there is created a duplication in numbering, reads as follows:

A. This section shall be known and may be cited as "Maria's Law".

B. Beginning with the 2021-2022 school year, the State Board of Education shall require that all schools, as part of any health

1 education curriculum, include instruction in mental health, with an
2 emphasis on the interrelation of physical and mental well-being.

3 C. The Board shall collaborate with the Department of Mental
4 Health and Substance Abuse Services to promulgate standards and to
5 approve age-appropriate curriculum options for students in grades
6 kindergarten through twelve. The standards and curriculum lists
7 shall be available on the website of the State Department of
8 Education.

9 D. Local school districts may enter into agreements with
10 nonprofit entities and other community partners to assist with or to
11 provide mental health education to students pursuant to this section
12 if the nonprofits and community partners are approved by the State
13 Department of Education and the Department of Mental Health and
14 Substance Abuse Services.

15 E. The Board shall adopt rules to implement the provisions of
16 this section.

17 SECTION 2. AMENDATORY 70 O.S. 2011, Section 6-194, as
18 last amended by Section 1, Chapter 16, O.S.L. 2019 (70 O.S. Supp.
19 2019, Section 6-194), is amended to read as follows:

20 Section 6-194. A. The district boards of education of this
21 state shall establish professional development programs for the
22 certified teachers and administrators of the district. Programs
23 shall be adopted by each board based upon recommendations of a
24 professional development committee appointed by the board of

1 education for the district. For the fiscal years ending June 30,
2 2011, and June 30, 2012, a school district board of education may
3 elect not to adopt and offer a professional development program for
4 certified teachers and administrators of the district. If a school
5 district elects not to adopt and offer a professional development
6 program, the district may expend any monies allocated for
7 professional development for any purpose related to the support and
8 maintenance of the school district as determined by the board of
9 education of the school district.

10 B. Each professional development committee shall include
11 classroom teachers, administrators, school counselors or licensed
12 mental health providers, and parents, guardians or custodians of

15 development committee shall be composed of classroom teachers. The

17 the school district from a list of names submitted by the teachers
18 in the school district. The members selected shall be subject to
19 the approval of a majority vote of the teachers in the district.

20 C. In developing program recommendations, each professional
21 development committee shall annually utilize a data-driven approach
22 to analyze student data and determine district and school
23 professional development needs. The professional development
24 programs adopted shall be directed toward development of

competencies and instructional strategies in the core curriculum areas for the following goals:

1. Increasing the academic performance data scores for the district and each school site;

4 shall be required to complete the autism training during the
5 resident year and at least one time every three (3) years
6 thereafter. All other teachers and education support professionals
7 of students in early childhood programs through grade three shall be
8 required to complete the autism training at least one time every
9 three (3) years. The autism training shall include a minimum
10 awareness of the characteristics of autistic children, resources
11 available and an introduction to positive behavior supports to
12 challenging behavior. Each adopted program shall allow school
13 counselors to receive at least one-third (1/3) of the hours or
14 credit required each year through programs or courses specifically
15 designed for school counselors.

16 Districts are authorized to utilize any means for professional
17 development that is not prohibited by law including, but not limited
18 to, professional development provided by the district, any state
19 agency, institution of higher education, or any private entity.

20 F. One time per year, beginning in the 2020-2021 school year, a
21 dyslexia awareness program shall be offered. At a minimum, the

24 students;

1 2. Training in effective classroom instruction to meet the
2 needs of students with dyslexia; and

5 G. One time per year, beginning in the 2021-2022 school year, a
6 mental health awareness program shall be offered. Local school

8 other community partners to assist with or to provide mental health
9 education to teachers and administrators pursuant to this subsection
10 if the nonprofits and community partners are approved by the State

9 board of education to meet the professional development requirements
10 established by the board, or established through the negotiation
11 process. Except as otherwise provided for in this subsection, the
12 professional development requirements established by each board of
13 education shall require every teacher to annually complete a minimum
14 number of the total number of points required to maintain
15 employment. Failure of any teacher to meet district board of
16 education professional development requirements may be grounds for
17 nonrenewal of such teacher's contract by the board. Such failure
18 may also be grounds for nonconsideration of salary increments
19 affecting the teacher. For the fiscal years ending June 30, 2011,
20 and June 30, 2012, a certified teacher shall not be required to
21 complete any points of the total number of professional development
22 points required. Provided, a teacher may elect to complete some or
23 all of the minimum number of points required for the two (2) fiscal
24 years and any points completed shall be counted toward the total

1 number of points required to maintain employment. If a teacher does
2 not complete some or all of the minimum number of points required
